A QUARTERLY NEWSLETTER FROM NEW PHILADELPHIA MORAVIAN CHURCH

## A Bit About Paul

Sometimes you have to walk through the storm to see God's glory. I experienced this when my dad and I visited Spiez, Switzerland, where our Stutzman ancestors lived before coming to Pennsylvania in the 1700s for religious freedom. After checking into our hotel, we hiked up a hill to a pizza place. During the walk, the skies opened up, and it began to rain. "Just great," I thought. "I finally get to the Stutzman hometown, and it's raining!" It was Paul's pity party. But after we ordered our pizza, I noticed the rain had stopped, and the sun was shining. I left the restaurant, turned a corner, and saw the most glorious rainbow that I have ever seen in my life! Sometimes you have to get rained on in order to see something glorious.

This month we finish our journey through Lent. We have been figuratively walking with Jesus as he carries his cross up Calvary's hill. As Abby recently preached, the torture that Jesus experienced on Friday was horrific. I cannot imagine the despair and uncertainty that the disciples must have felt on Saturday. But everything changed that glorious Easter morning when Christ conquered death! The Lord is risen! I hope and pray that you experience the joy and new life that Jesus gives this spring!

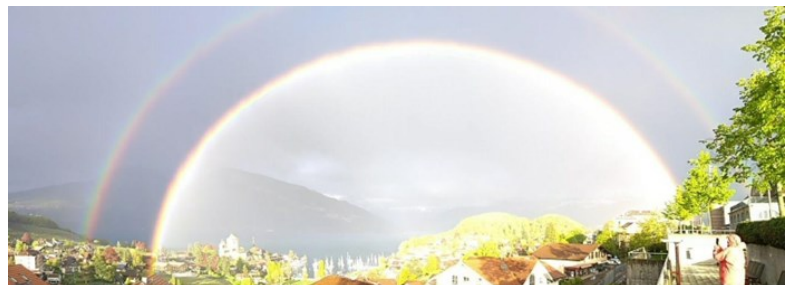

I am looking forward to getting to know you in the months ahead. Here are a few things that help you to know me a little better. I grew up in Herndon, Virginia, and graduated from Bridgewater College in 2003 with a degree in Psychology and Philosophy/Religion. In 2009, I received an MA in Religion from Eastern Mennonite Seminary, and I expanded my Master's thesis for publication in 2011: *Recovering the Love Feast* (Wipf and Stock, 2011). I have enjoyed living in Win-

ston-Salem since 2015. Although my ministry background is in the Church of the Brethren, I have served in ministry at Clemmons Moravian and Hopewell Moravian congregations in the past 5 years. During this time I also completed courses from Moravian Theological Seminary and received training from the Center for Congregational Health to be an Intentional Interim Minister and a Church Consultant.

I have been truly blessed to be the father of two teenage children, Kaylee and Josh. Because I am a single parent, some Sundays the kids will be with me, and other times they will be with their mother. When I'm not wearing the figurative "pastor hat," I enjoy hiking with my kids, playing racquetball, guitar, drums, and piddling on projects around the house and the yard.

As I drove to church on March 2, my first Sunday at New Philly, a song from my playlist "randomly" came on the stereo: "You Make Everything Beautiful," by For King and Country. My sermon was focusing on times and seasons in life, and the words of the song fit the sermon perfectly. I don't know if your life feels stormy or serene right now, but I do believe that God's timing is perfect, and God's glory is breathtakingly beautiful. Sometimes we have to go through life's storms before we can see God's goodness and glory.

*"You make everything, everything beautiful,  
You make everything, everything new!  
You make everything, everything beautiful,  
In its time, in Your time, it's beautiful."*

## Women's Fellowship News

The Women's Fellowship is small but "mighty!"

We had a busy first quarter with having had our General meeting and making chicken pies in February; delivered cakes to the Yokefellow Prison Ministry, coordinated the potluck lunch for our new Associate Pastor Paul Stutzman, and candle making in March. On Good Friday, April 18 at 2pm, we will place flowers on the graves in our God's Acre.

Speaking of flowers, we need your help with this service. Please come to the graveyard on April 18 at 2pm, no experience or tools needed just your legs. The more folks we have the quicker we will be finished.

The 2025-2026 WF officers elected at the General meeting were:

- **President:** Jane Shore
- **Co-Vice Presidents:** Darlene Reinhardt and Lynnette Welborn
- **Secretary:** Susan Stockwell
- **Treasurer:** Mary Ruth McRae
- **Assistant Treasurer:** Susie Tickle
- **Bereavement chair:** Cathy Ebert, Jane Shore, Assistant

We have three circles that meet: Circle 1, Tina McSwain, leader; Circle 5, Carol Crooks, leader and Circle 8; Cathy Ebert, leader. Reach out to one of these circles or me if you have questions about when they meet. We would love to have you join us, and possibly start a new circle or two.

We always need church members to help with Bereavement visitation receptions; set up, food, serve and cleanup. You don't have to be a WF member. Please let Cathy or myself know if you would like to be on a team for these very appreciated and needed service.

Save the date: Holiday Sale, November 1st!

Thank you and blessings, Jane Shore

## South Fork Ministry

Thanks to the generosity of our New Philadelphia Congregation, the first two projects of the year for the South fork ministry were a huge success. Our annual toothbrush and toothpaste collection for all of the South Fork scholars for Children's Dental health month was fantastic. We collected 600 large tubes of toothpaste and 120 travel size tubes. Our collection of toothbrushes was equally amazing with a total of 770 single brushes, and 150 multi packs. Dr. Allen was thrilled by our response. Our next project was filling spring break bags for 30 South Fork families. Because the Winston Salem Forsyth County Schools altered their calendar this year, spring break was earlier than usual so our collection of items came just as we finished our toothbrush and toothpaste

collection. But this did not deter the response from our congregation! Our bags contained : peanut butter, jelly, cereal, a box of granola bars, crackers, a 4 count of fruit cups, a 4 count of pudding cups, a box of instant oatmeal packets, a 4 count of microwavable Mac and Cheese, 2 cans of SpaghettiOs's, 2 packages of Ramen noodles, Apple Juice, and several extra items that members of our congregation added. Over 35 members contributed to these bags. This bags of food, compassion, and Jesus' love helped 30 families bridge the gap without food at school for about 9 days. Thank you to all who helped with both of these projects.

Several volunteers from New Philadelphia participated in Read Across America on March 5. We read to classes that day while volunteers across the country read to classes in their communities. Encouraging reading this way is a fun and easy way to volunteer. If you would like to help in this way at anytime, please let me know at [sparksw@msn.com](mailto:sparksw@msn.com).

Tamara asked the congregation for monies to help fund the South Fork Third Grade Book fair. At the event, all third graders hunt for a large Easter egg filled with candy from the Mast General Store, select a book to keep, allow one of our volunteers to put the scholar's name on a book plate for the front of their new book, and enjoy a few lemon Moravian cookies. Many of these scholars have few items that just belong to them and are quite thrilled to have a book to take home and keep forever. Putting their name in the book makes it extra special. On March 25<sup>th</sup>, David Stanfield, Marie Rodden, Frances Weaver, Janet Gardner, Sandra Chitty, Bill and Marla Sparks will be at South Fork for this fun activity.

Ongoing throughout the year are our Dolphin Dads: Bill Donald, Chris Rogers, and Jack Long who man the cafeteria once a month so that teachers get a lunch alone. Patrick Linville is tutoring 2 first graders this year and is encouraging them in their lessons plus their love of reading.

Other upcoming events in which volunteers are needed include: Dolphin spring fling on April 11<sup>th</sup> from 5:30 until 7:30. Field Days April 14-16, Dolphin Career Exploration and Tie a Tie Day April 25 from 9-1, Teacher Appreciation Luncheon on May 6, proctoring for EOGs and graduation on May 21 at 6 in our Sanctuary.

Career Day is an opportunity to share your profession or hobby that might be a profession. Please consider this opportunity-YOU will be amazed at the rewarding experience you feel.

## Career Exploration Day

Proctoring for EOG's is as easy, boring job, but is a necessity for the schools. It only requires a few hours of sitting in a classroom and occasionally walking around as you observe scholars taking their EOGs. .

# Stewardship Committee

The Stewardship committee met in February with Laura Watson from MMFA (*Moravian Ministries Foundation of America*). We each completed a survey on Stewardship at NPMC and she provided results and a booklet with ideas for 4 themes of stewardship. The committee met in March and discussed the ideas presented and will choose a theme to share with the congregation. We will be doing a monthly Stewardship moment during Sunday service and may have Laura speak one Sunday or have a gathering where she can come and speak with the congregation on Stewardship.

We have two new at large members and are excited for what the year 2025 for Stewardship will be at New Philadelphia.

We would also like to thank those that completed and turned in your pledge cards. We received back 108 cards with a total of \$458,010 pledged for 2025.

## Elizabeth Windsor Scholarship

The Elizabeth Windsor Memorial Scholarship was established in 1998 in memory of Elizabeth Anna Windsor. The scholarship serves as a living memory of Elizabeth and as an opportunity to encourage and reward outstanding Christian character and church participation.

Elizabeth Anna Windsor was born December 31, 1980 and died just short of her sixteenth birthday on October 11, 1996 in a car crash. She was baptized as an infant at New Philadelphia and confirmed with this confirmation text: Wait for the Lord; be strong and take heart, and wait for the Lord. –Psalm 27:14. That text offered guidance in her short life, and she showed patience and perseverance even as she lived life exuberantly. Her sense of humor was contagious, her energy was inspiring, and her life reflected her strong faith in God.

Elizabeth was active in New Philadelphia's Youth Fellowship, Sunday-School, Vacation Bible School, the summer preschool program and the

nursery. She loved being in the Lenten production of *The Velveteen Rabbit* one year, the classic story of the transformation of a loved toy to a 'real' living creature. During Lent and Easter, we are reminded of her own transformation from this earthly life to new life.

In the summer of 1996, a Goal Setting committee at New Philadelphia on which she served suggested the creation of a scholarship to financially support and encourage our youth. In 1999, the year Elizabeth would have graduated from high school, the first scholarship was awarded. It is our hope that her Christian character, her love of life and her desire to encourage others will continue to be remembered and to inspire others as this scholarship continues to be offered for New Philadelphia Youth.

Information about the Scholarship and Application process is available via this link: [tinyurl.com/EWScholarship2025](https://tinyurl.com/EWScholarship2025)

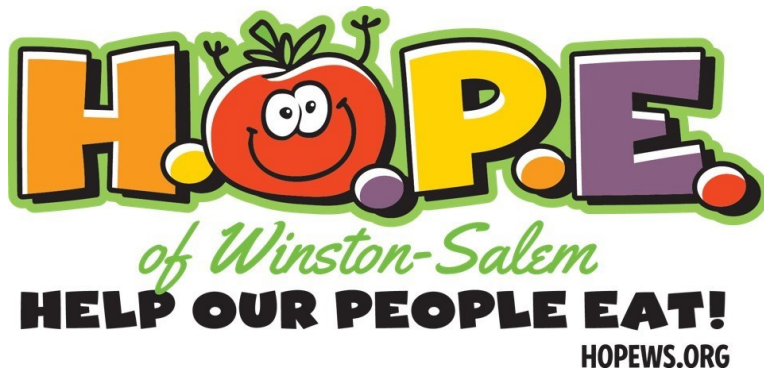

The Scholarship Committee also has a fundraiser scheduled in November (Saturday, November 15) so be sure to Save The Date!

## College Connections

**Attention Young Adults & College Students:**  
We know that starting out as a young adult can be full of difficult decisions. Should you take a gap year after high school? Should you dive into a job doing something you love? Should you start working to save money for your future career or to support yourself? Or maybe you're thinking about going to college? We understand how hard these decisions can be.

At New Philadelphia Moravian Church, we want you to know that we care. Whether you're living in Winston-Salem or returning here to visit your family during the holidays, you're always welcome to worship & fellowship with us when you're in the area.

We are praying for & thinking of you as you navigate this exciting new chapter in your life. Our congregation is made up of people who strive every day to be responsible, loving, generous, and kind members of our community. Our Congregation will be contributing to care packages that will be sent periodically throughout the year. We hope to offer you love and friendship in a manner that you're most comfortable with. We respect your privacy.

For several years, Ethel Butcher led this ministry and Darla Bonnett has kept it thriving since 2020. She has made a real difference in the lives of many & fostered lasting positive relationships. If you would like to join Darla's team, please let her know.

- (336) 830-3169
- [morningglory@triad.rr.com](mailto:morningglory@triad.rr.com)

If you or someone you know have received care packages to date, please send us feedback on what items you used & loved. Please feel free to suggest any items that you would like added to future packages. We want to make sure that what we're sending is helpful. We hope this outreach will strengthen your spiritual journey and help you feel God's love.

Perhaps it will encourage you to spread kindness, as we all navigate unique and different paths. Maybe it will inspire you to visit a church in your area or invite a friend to join you.

## Culinary Small Group

### ***Baking for HOPE (HELP OUR PEOPLE EAT)***

The Mission and Social Concerns Committee has been supporting H.O.P.E for years. This organization provides healthy nutritious meals for those in a community which lack access to fresh fruits and vegetables. Nutritious meals are provided to this community every weekend and are delivered by volunteers. H.O.P.E grows vegetables in its greenhouse and at its farm in Yadkinville. Volunteers of all ages would be welcomed to help with meal preparation, and farm tasks. You are encouraged to visit their website at <https://hopews.org/>, there are many opportunities to volunteer since H.O.P.E relies on volunteers (youth, adults and families) to do such things as sorting produce, Friday food pickups, garden helpers, farm helpers, cooking assistants and meals distribution.

The Culinary small group had an opportunity to provide dessert to H.O.P.E and support its mission to deliver nutritious meals to children and families. We reached out to Abby Dwiggin, about the Culinary small group partnering with the youth in this baking project to provide nutritious desserts, such as cookies, muffins and brownies baked to H.O.P.E 's specific recipes.

We had several successful baking sessions with the youth and would welcome others from the congregation to join us as we continue to bake throughout this year. If you are not available for baking, you may donate items needed for each month's recipes. Our next baking session is on Friday April 11<sup>th</sup> from 10 a.m.—12 p.m. You may contact Carol Crooks at [wawaprice@hotmail.com](mailto:wawaprice@hotmail.com) Let's remember to serve like Jesus by caring for those in our community who need nutritious meals.

*If you are a young adult & wish to receive special cards & gift boxes from NPMC, please contact Kristin Berrier at [llgardening@gmail.com](mailto:llgardening@gmail.com); call or text 336-940-7883.*

We want to reach out to church members, but also young adults in the community. If you are the parent, guardian, friend or grandparent of a young adult or college student, please ask them if they would allow you to share their mailing address, email address or telephone number with us. If the young adult you are thinking about lives in another city or state, it is fine to send their information as well.

We know that this time of transition—whether it's leaving your childhood home, moving to a new city, cultivating new relationships, managing a budget, starting a job, preparing for exams, or even adopting a pet—can be challenging. You are not alone. We are here for you.
